Points to Note

For Application to JC/ MI

School admissions are based on **merit**. In the JAE, posting decisions are based on objective and transparent measures of academic merit, i.e. L1R5 net aggregate score, therefore **JC transfers after the JAE should be guided by L1R5 net aggregate scores and the receiving JC's course Cut-Off Point (COP).**

Please fill up all **12 options** available to you for **JAE**.

Choose JCs/Poly courses which meet your results. Have 1 or 2 options where your results exceed course cut off point.
